**Agora**

Dear friend,

We'd like to talk to you about Agora. It's an event for European Rover Scouts, at the beginning of April this year. It would be excellent if you were able to find 2 Scouts from your association who could come along.

Agora is an event which will educate and develop young people. It's run by youth, for youth. We will coach your Scouts, inspire them, and put them in a position to be actively involved in improving their association. But it's not all education; Agora is also about letting young people explore and express in an international environment.

We're looking for Scouts in your final age section, aged 16-22. They should have involvement outside of their local group, perhaps at a national level. We want to develop the potential of your young members. Each association has space for just two members. Please make sure that yours is represented.

We look forward to hearing from you.  
Yours in Scouting
