Dear friends,

It is with great pleasure that we invite you to the next North-South Network meeting which will be held in Stockholm, Sweden on the 14th to the 16th of March 2008.

The North-South Network is an informal network among the European National Scout and Guide Associations working in partnership with partners in the south. The aim of the network is to provide an open forum to all those Scouts and Guides who are interested and active in the field of co-operation, North-South partnership and development education.

The program starts on Friday evening at 17.00 (5 pm) and finishes on Sunday at 12 noon. The focus of the program will be on how to create a successful partnership and the role of scouting and guiding in development education in the 21st century.

The meeting will be held at the offices of the Swedish Guide and Scout Council at Stora Essingen in Stockholm. You will stay at the Fridhemsplan Youth hostel in the centre of Stockholm. There will be a short bustrip to go from the hostel to our offices. You can find all the information you will need to travel from the airport to the youth hostel and the conference centre on our webpage www.scout.se/northsouth.

The cost of the meeting is €90 (810 SEK) and will be paid (in Swedish crowns or in Euros) directly to the organizers at your arrival at the hostel. If you need extra nights at the hostel before or after the meeting, please inform us when registering and we will contact you with information about the price of extra nights.

Please bring with you:
