Open Call Recruitment for Regional Work

Dear Friends

We issued an open call for participation in the work of the region and the result was 83 applications. We recognise that the past summer was very busy and the result of the Open Call is even more impressive because of this.

The work of the region will be organised in three main areas:

- Educational Methods Team – comprising committee members Joao Armando Gonçalves and Zorica Skakun and with staff support from Radu Stinghe and Milutin Milosevic. Educational Methods is made up of the Youth Programme and Adult Resources Core Groups.
- Development and Support Team – comprising committee members Craig Turpie and Paolo Fiora and with staff support from Katrin Tauscher and Blaise Bachmann. Development and Support is made up of the Organizational Development Core Group and the Tailored Support Unit. The Tailored Support Unit will make good use of the recently created Resource Pool.
- Relationships and Funding – comprising committee members with the European Policies Support Group and the External Funding Unit.

In addition, the European Scout Committee is directly supported by the Finance Support Group for which three people were recruited.
