

Centenary Cocktail Competition

To celebrate the **100th anniversary of WAGGGS**, the Europe Region is holding a cocktail competition. The winners will have their creation served to delegates at the European Guide Conference in July. Their cocktail will also be featured on the website and in Our World News.

The competition is open to all WAGGGS members from the Europe Region. Your drink can be **alcoholic** or **non-alcoholic**; there will be a winner from both categories. Only non-alcoholic cocktails will be accepted from entrants under 18 years old.

The theme of the conference is '**No Limit**' so be as creative as you like. Dream up your own or add a twist to a classic. Points will be awarded for originality. Your drink must be **pink** – although it can be any shade: **dark** or **light, bold** or **pastel**.

There must be a **minimum of three ingredients**. Entries can be submitted in any form, provided there is a recipe and an image of the final drink.

Please send entries to europa@europa.wagggsworld.org latest by the 30th June. The winners will be announced at the European Guide Conference.

Think Pink, Drink Pink!
