**Regional Scout Plan 2010-2013 – Supporting Growth in Changing Times**

Dear Friends

As you will recall when the Regional Scout Plan was presented just over six months ago, we agreed to provide NSOs/NSAs with updates on our progress and performance in implementing the Objectives and Actions that have been established to 'support growth in changing times'.

The European Scout Committee met over the weekend of 17-19 June 2011 in Kandersteg, Switzerland, and as part of its regular agenda it reviewed progress and performance and received reports from its five Working Groups and three Core Groups.

In full transparency, I am pleased to share with you an updated version of the Regional Scout Plan as a RAG Status Report (Red, Amber and Green) to denote progress on specific Objectives Actions since the start of the triennium.

In addition, you will find the specific reports received from the Working Groups and Core Groups.

I trust that this information will be of interest and that you are reassured that we are alert to both our evident successes and challenges in implementing the Regional Scout Plan 2010-2013.

If you have any questions, please don't hesitate to contact me.

With all best wishes

Yours sincerely

Craig Turpie  
Chairman, European Scout Committee
