

Agora

1st Inter-Regional Agora - 2012

Rovers from Eurasia, Europe and other regions are coming together to share ideas and gain inspiration to organise a rover event in their country.

Agora

Kandersteg, Switzerland
April 17th to 22nd 2012

Each NSA can send up to two Rovers. One Rover per NSO will be sponsored by the European Youth Foundation. At Agora, Rovers will share their experiences and thoughts about roving, youth involvement, etc. This will be a fantastic international scout experience to get empowered and bring back home some tools to move forward.

Rovers will analyze the strengths and weaknesses inherent in the Rover age section.

Agora is organised by former participants. By Rovers, for Rovers. Apply before February 16th 2012.
