Creating a Better World

What is an Agora?

- An event organized by Rovers for Rovers.
- A meeting place in which dreams, concerns, experiences, ideas and paths cross together, are connected and shared. A crossroad that would be a source of inspiration and energy.
- A place where the fundamentals of Scouting are present in a way that is attractive to young people today.
- A place for debate and sharing as well as teaching and learning from one another.
- It is all about getting new motivation and direction to one's path as a rover.

1st Inter-Regional Agora (2012)

You might have heard about the European Agoras, youth events gathering European Rovers to talk about project management, youth involvement in decision-making, etc. Today, building on the experience acquired during the past five years, Agora is moving forward and transforming itself to become Inter-Regional!
