Crisis – how to respond to the socio-economic challenges

Dear friends

I am pleased to attach a new Euro.Scout.Doc on the economic situation affecting all of us.

We are very pleased that our Euro.Scout.Doc on Scouting and the Financial and Economic Crisis published in 2009 and to be found at:

http://www.scout.org/en/around_the_world/europe/information_events/resources/euro_scout_doc/scouting_and_the_financial_and_economic_crisis

- inspired our friends at Corpo Nacional de Escutas (CNE) to translate the document into Portuguese.

This time the roles are reversed and a document called Crisis published by CNE has been translated into English and French, and is based largely on the original Portuguese text.

We are pleased to attach **Crisis – how to respond to the socio-economic challenges** so that the advice and thinking can be shared more widely.

We acknowledge with thanks the leading role of CNE in producing this useful advice.

Yours sincerely

David McKee
Regional Director
