7th Meeting for Chief Executives, National Directors, and Secretaries General

Joint Circular – Travel Grants Available

23 August 2012

Dear Friends

Further to our first [joint circular](#) on the next Meeting for Chief Executives, National Directors, and Secretaries General, we are pleased to provide further information on the current availability of travel grants.

Thanks to a grant received by the Europe Region WAGGGS within the framework of the Youth in Action (YiA) Programme sub-action 4.6, participants from YiA programme countries¹ have the possibility to refund up to 50% of their travel costs (including travel from/to the event venue with cheapest airfare available or 2nd class train ticket).

The reimbursement will be made by the Europe Office WAGGGS after the meeting and only upon reception of all original travel documents (i.e. flight/train ticket or receipt clearly indicating the price, as well as boarding passes). The original travel documents will be collected during the meeting or can be posted to the Europe Office WAGGGS in Brussels. No exception to this procedure can be accepted.

We hope that this funding opportunity can allow more NSOs and MOs to attend the meeting. For further information on the travel grants please do not hesitate to contact directly Paola Cervo at paola@europe.wagggsworld.org.

Best wishes.

Ann Brookes
Acting Regional Director – Europe Region WAGGGS

David McKee
Regional Director – WOSM European Region

This project has been funded with support from the European Commission.
