Participation in the 21st Regional Scout Conference

Dear friends

At its recent meeting, the European Scout Committee reviewed all aspects of the preparations for the Regional Scout Conference to be held in Berlin. One aspect of the event was that we recognised that support may be required to enable some organisations to participate.

With that in mind, and recognising that bookings are already being made, including for the logistical arrangements necessary so our hosts are keen to have registrations as early as possible, the Regional Scout Committee confirmed that it would make financial support available.

The Committee also requested all NSOs who may wish to offer support to needy NSOs to make contact with the Regional Director in confidence to discuss what additional support might be available. Such contribution made either anonymously or in a list of supporters.

A request for support should be submitted directly to the Regional Director dmckee@scout.org on **or before 1 April 2013**. These requests should detail:

- The name of the Organisation seeking support
- The number of participants anticipated from your organisation
- How many of those participants are 26 or under
- The amount of funding already identified
- The amount you would like to request from the Region

The communication should include a copy of the most recent audited or verified accounts of your organisation.

It should be noted that in no case will 100% funding be made available.

It may not be possible to respond positively to all requests for assistance.

If you have any queries relating to this offer or request for funding, please do not hesitate to contact me.

Kind regards.
Yours sincerely

David McKee
Regional Director
