**Committee Contact System 2013-2016**

Dear Friends,

We know from your feedback that the Committee Contact System continues to be highly valued. The aim of this system is to make the European Scout Committee more accessible and over the past years has proven useful for the sharing of information and in establishing and maintaining strong relationships that are mutually beneficial.

In adopting Resolution 17 at the recent 21st European Scout Conference in Berlin, you have requested us to further support bilateral and multilateral cooperation between NSOs in our Region and we believe that the Committee Contact System provides us with an excellent tool to help achieve this.

The Committee Contact System also aims at enabling the Region to collect information, including success stories and challenges, in particular in relation to themes addressed by the Regional Scout Plan and the Strategic Priorities of WOSM. It also seeks to provide a mechanism whereby Global Support can be offered to NSOs and followed-up.

Furthermore, with your clear message that the Regional Scout Plan 2013-2016 needs to focus on measurable impact, we believe that the Committee Contact System is an important way of working.

With this in mind, it is with pleasure that we write to you to advise you, which Committee Member will support which National Scout Organisation. Details are included below and in the coming weeks you should receive a letter of introduction from your Committee Contact.

As before, the Committee Contact System is complimentary to the support available from the staff at our Regional Office who can be contacted directly.

Please do not hesitate to contact us should you have any questions.

With kind regards,

Dr. Andrea Demarmels  
Chairperson,  
European Scout Committee

David McKee,  
Regional Director,  
World Scout Bureau – European Regional Office
