Paris, February 19th, 2014

Dear friends in Guiding and Scouting,

After careful consideration, we have decided to change the Roverway 2016 dates from July to August.

SAVE THE DATE!

The event will take place from the 3rd to the 14th of August 2016

There are many reasons for this choice, the most important of them being that we wanted to give the chance to as many guides and scouts as possible to participate (thus we have chosen to wait for exams and school to finish) as well as giving the opportunity to all the members of the Regions to put in practice their engagement into becoming staff of Roverway after the European conferences. After taking all those elements into consideration, we - the WAGGGS and WOSM regional committees and offices, the "Federation du Scoutisme Français" and the Roverway office team - have decided to change the dates. We hope that this will turn out to be for the best and to see you all, with hundreds of participants from your associations, at Roverway 2016 in France.

Roverway is really starting in 2014!

To prepare the great event of 2016, we will organize 7 test paths throughout the country this summer (**you can choose your dates and your place!**). You are more than welcome to send a team of Rovers/Rangers to experience them.

Please do not hesitate to spread the word and tell anyone interested to contact us at the info@roverway2016.org.

Coming up soon... Roverway 2016 website!

From the 5th of March, on our website, you will find the details of the test paths: dates, places, price, and so much more!!! Stay tuned!!!

We are at your disposal for any further information you may need.
