**Image Bank**

Dear friends

The European Scout Region continues to build an image bank to support, amongst other projects, the development of an e-Learning platform for adult training provision to be used by National Scout Associations. We are looking for images that identify adults in Scouting, showing the diversity of Scouting in Europe, and that are not too posed or staged.

The images could show Leaders/ Scouters:

- Involvement with youth members
- Engaged in training
- Taking part in activities
- Having fun
- Individuals or groups

By sending any images you are giving consent for them (1) to be used on ScoutingLinks (our future e-Learning platform) and in any supporting publications; (2) to be used by the World Organization of the Scout Movement as well as it's licensees or assignees, for all advertising, publicity and/or editorial purposes, for non-commercial purposes, for world wide distribution in perpetuity.

Please ensure that you obtain any necessary permission needed to use any images you consider sending in. If you would like to credit the image taker, please include their name in the title of the image.

The resources or links to access them should be shared with José Figueira ([jfigueira@scout.org](mailto:jfigueira@scout.org)).

In case you need any clarification don't hesitate in contacting me.

With kind regards,

Yours sincerely,

David McKee  
Regional Director
