## **Overview of Regional Events 2014-2015**

Dear friends,

As we have in past years we are sending you a draft list of events that we foresee for the rest of this calendar year and for next year.

Please note that we have a number of venues and dates to be confirmed; we will update the list posted on [europak-online.net](http://europak-online.net) as soon as further information and confirmations become available.

Detailed information on each activity will be communicated – on [www.scout.org/europe](http://www.scout.org/europe) and on [www.europak-online.net](http://www.europak-online.net) as well as through direct circulars.

Please note that events are subject to change, even cancellation, dependent on participation levels and sometimes relating to funding applications. Also, we can sometimes add events into the programme if it is felt being of benefit to NSOs/NSAs and advantageous to achieving the Regional Scout Plan.

We look forward to welcoming members of your association to Regional events in the coming year.

Yours sincerely,

David McKee  
Regional Director
