Circular 5/2015

Update Circular 29/2014: Overview of Regional Events 2015

Dear friends,

Following work on updating the Regional Scout Plan and some confirmation on items "to be advised" I am pleased to send you this update on regional events for the remainder of this calendar year and till the end of this triennium in summer 2016. An update on regional events and activities plan and run jointly with the Europe Region WAGGGS will follow shortly.

I particularly draw your attention to the confirmed date and location for the 6th European Scout Symposium – 3-6 December 2015.

Detailed information on each activity will be communicated – on www.scout.org/europe and on www.europak-online.net as well as through direct circulars.

Please note that events are subject to change, even cancellation, dependent on participation levels and sometimes relating to funding applications. Also, we can sometimes add events into the programme if it is felt being of benefit to NSOs/NSAs and advantageous to achieving the Regional Scout Plan.

We look forward to welcoming members of your association to Regional events in the coming year.

Yours sincerely,

David McKee
Regional Director
