Circular 12/2015

Open Calls to assist the Region

Dear friends,

It is now just under one year till the European Scout Conference will meet in Norway to review our work and look to the future.

The European Scout Committee wants to already prepare National Scout Organisations and National Scout Associations to be thinking about the future and already to begin thinking about the best people to encourage participating in the next Open Call associated with the work of the Region from mid 2016.

We will of course send the formal launch at some time next year, in advance of the European Scout Conference.

In the meantime, we would like to thank all those who have offered their services in helping us to work on and achieve elements of the current Regional Scout Plan. Even though there is less than one year to go, we remain open to receive applications to support the ongoing work through becoming a potential member of the current Resource Pool.

To facilitate any applications at this stage, please find attached the standard template.

Looking forward to receiving any updates and eventually to renewing the Open Call as we enter a new Triennium.

Kind regards,

David McKee
Regional Director
