#### Regional Circular 17/2016

The European Scout Region and Scoutisme Français are happy to invite you to the Fundraisers' Network Meeting that will be held between **25-27 November in Paris, France**.

# What?

This meeting offers NSOs and NSAs an opportunity to share best practices, challenges and needs in the field of fundraising, with a focus on Private Donors. At the Fundraisers' Network Meeting, the objectives are:

Sharing best practices in fundraising

- Discussing about a fundraising strategy and how to use it
- Understanding the donor perspectives and funding process
- Sharing knowledge on collaboration with the private sector.

## Who?

Participant profile:

- volunteers and/or staff members working with fundraising at national level in their organisation
- board members working on financial strategy.

As this event is a network meeting and not a training, learning and inputs will mainly come from the participants themselves. We expect to welcome experienced fundraisers **and** newcomers that can make direct use of the learning outcomes in their NSOs/NSAs.
