Overview of Events and Opportunities 2016-2017

Circular 20 2016

Dear friends,

Just two weeks into the new "Scout Year" and things are beginning to move regarding the programme of events for the next calendar year.

Please find attached a list of proposed events based on the budget agreed by the previous Regional Committee in May 2016 (Annex 1). There may be some changes to the list, but we felt that it was important to share a comprehensive a list as soon as possible to assist in your planning.

Also, we are aware that sometimes formal calls to participate, with the Region and other NSOs and NSAs, in funding calls often come very late. To help with this, we have prepared a list of possible applications allied to the published deadlines where we anticipate the calls for participation to fall (Annex 2). We hope this will at least give you a heads up before the formal calls are launched by the European Commission.

We will endeavour to update this information in the event of substantial change.

With kind regards,

David McKee
Regional Director
