**Regional Open Call – Partnerships and Communications Teams, Spreading our Message Area of Operations**

Dear friends,

We recently closed the initial round of recruitment for the teams supporting the delivery of the Regional Scout Plan. As anticipated, we advise of two opportunities for additional recruitment in the **Spreading Our Message Area of Operations** and specifically in two teams:

**1 - Spreading Our Message Area of Operation – Partnerships Team**

We are seeking a team leader and two team members to support the area of Partnerships. The focus of the work will be in the regular meetings that have been organised to support our work with other Regions, the Partnership Event which happens each year and the periodic meetings between our Region and another Region, such as the Europe-Eurasia meetings and the Euro-Arab meetings.

Individuals with previous or current experience at national and international level in such exchange events and in encouraging relationships between associations at all levels are invited to complete the standard, revised application process.

If applicants have already submitted a full application in the initial call last year, then simply send the motivational letter detailing the relevant experiences and motivation for applying to [europa@scout.org](mailto:europa@scout.org).

This specific call is for new applicants only. It is available here:

**2 – Spreading Our Message Area of Operation – Communications Team**

We are seeking a new member for the Communications Team, newly established with an ambitious programme to bring the Region up to speed on how we communicate effectively both externally and Internally. The focus of this appointment will be Social Media, Communications Strategy, aspects of our visual identity and building engagement with our stakeholders.

Individuals with previous or current experience in the areas listed above at local, national or international level are invited to complete the standard, revised application process.

This specific call is for new applicants only. It is available here:

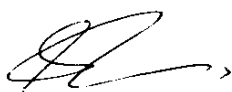

<https://europeanscoutregion.typeform.com/to/kqCwvS>

These opportunities will be featured on scout.org (intranet) and on europak-online.net as well as in this direct circular. They will also be featured on social media.

The deadline for applications is 31 May 2017 at 23.59 Central European Summer Time.

Looking forward to receiving applications each of which will be acknowledged on receipt.

With kind regards.
