**List of Events organised in and with the European Scout Region 2017-2018**

Dear friends

A few weeks into the new "Scout Year" things are beginning to move regarding the programme of events for the next calendar year.

Please find attached a list of proposed events agreed by the European Scout Committee. (Annex 1). There may be some changes to the list, but we felt that it was important to share a comprehensive a list as soon as possible to assist in your planning.

Also, we are aware that sometimes formal calls to participate, with the Region and other NSO/NSAs, in funding calls often come very late. To help with this, we have prepared a list of possible applications allied to the published deadlines where we anticipate the calls for participation to come (Annex 2). We hope this will at least give you a heads up before the formal calls are launched by the grant giving agencies.

We will endeavour to update this information in the event of substantial change.

With kind regards,

David McKee  
Regional Director
