

European Jamboree 2020, 27th July - 6th August 2020 Gdańsk, Poland

The European Jamboree returns to gather young people from all over Europe in Gdańsk, Poland between 27th July - 6th August 2020. The event will strengthen our international community and provide young people in Europe with the opportunity to meet and learn from each other.

Educational concept

We would like to introduce a new concept, based on the "Be the Spark" groundwork, that will take into account the European character of the event – it is **ACT**.

Every Scout and Guide possesses potential to become a driver of social change. Come to the Jamboree to WAKE UP and discover your power! You will InterACT with Scouts of various cultures, of various languages and various countries. Use your time at the Jamboree to LOOK AROUND (Global Goals will guide you), to learn through adventures, eye-opening discussions, and inspiring workshops. See where your helping hand is needed. ACT using your new skills and make a change in the society. ACT wisely. ACT decisively.
