

## **Dear International Commissioner**

The 15th European Guide and Scout Conference set up a working group to improve the EraGuide/EraScout Network. This network aims to support the inclusion of Young People and Youth Leaders into local Scout and Guide Group during their international mobility experience.

For the past few months the Go Scout and Guide Abroad team has been working on material to be used by International Teams and participants in mobility programmes. As a starting point in this work, we are pleased to share some of these with you.

In this package you will find promotional and administrative material, aimed to increase interest in Scout and Guide mobility, and to make communication between the sending and receiving NSO's and MO's easier.

The contents are as follows:

- A template promotional poster (to be used perhaps in Colleges and Universities).
- A draft Letter of Introduction form to be used to introduce the participant to the receiving Group, NSO or MO. Feel free to add/edit or delete questions if necessary.
- A short 'How To' guide for stakeholders - Participants, Groups, Host and Sending Organizations - in mobility.

We hope your organization will find these materials useful in promoting and administrating mobility.

### **Spreading the message:**

If you would like to contact us, our Facebook page is: [www.facebook.com/GoScoutAndGuideAbroad/](https://www.facebook.com/GoScoutAndGuideAbroad/)

We'd love to hear about your success stories, or share some lessons learned during the process. Our team will continue to investigate ways to promote and capitalise mobility.

We share posts relating to mobility, and international Scout and Guide cooperation.

The page is also used by Scout and Guide leaders who are looking to make connections for exchanges and short/long term relocations.

We will also use the hashtag **#ScoutGuideAbroad** across social media. Feel free to use this when posting about related topics. Recently, we've started a Instagram account as well, please find us at 'scoutsguidesabroad'.

### **Use of the brand:**

The name of the scheme is **Go Scout and Guide Abroad**, which can be abbreviated to **GS&GA**. Our *Go Scout & Guide Abroad* logo includes the WOSM and WAGGGS logos. You can download the logo here: <https://tinyurl.com/GSAGALogos>

It is available in a selection of orientations and should not be squashed or stretched. Please do not alter the logo without first contacting us through our Facebook page.
